

IN POSITION

TO LEAD WITH SERVICE
AND BY EXAMPLE.

Master of Business Administration

Concentrations in Management, Healthcare Management, Practice Management, and Information Technology

Our goal is to ensure our students are Parker Prepared. This mission takes our Master of Business Administration degree beyond the standard curriculum into an intensive and innovative program that readies students for success in health care management. With four core concentration options, students gain a conceptual understanding of advanced business strategies and learn to critically analyze applied research methods. Our flexible, fully online program leads our students on their journey to become leaders.

Why Parker's Master of Business Administration program?

Parker University prepares our graduates for the next chapter in their career. Whether as a chiropractor looking to expand practices, or a manager looking to become a leader in your business, Parker University's MBA program will help you achieve your career goals.

Parker's MBA program prepares graduates to:

- Evaluate an organization's financial position through analysis and forecasting
- Design and compare operational and strategic plans for health care systems based on sound advice and accounting
- Demonstrate a capacity to lead others to achieve organizational goals and effectively manage projects and operations
- Communicate proficiently in the health care environment through scholarly writing and oral presentations
- Apply data-driven quantitative reasoning and statistical tools to address complex problems for critical decisions

Accreditation

Parker University is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award certificates, associate, baccalaureate, masters and doctorate degrees. Questions about the accreditation of Parker University may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).
