PARKER UNIVERSITY'S BACHELORS DEGREE IN STRENGTH & HUMAN PERFORMANCE

The Bachelor of Science degree in Strength and Human Performance offers quality classroom and laboratory instruction designed to prepare students to specialize in assessment, treatment, strength, conditioning, and rehabilitation in physically active people. With a broad set of courses across multiple disciplines, students study the fundamentals of health promotion and wellness, as well as the benefits of nutrition and exercise, and prevention and rehabilitation of athletic injuries among others.

WHY PARKER'S STRENGTH & HUMAN PERFORMANCE PROGRAM?

- An abundance of career paths to choose from
- Classes are fully online, you can earn your degree anywhere
- Students can take one four-week class at a time
- On ground and online tutoring and learning resources available
- Financial aid is available for those who qualify

Courses are designed to facilitate certifications from the American College of Sports Medicine and the National Strength and Conditioning Association.
