PARKER UNIVERSITY'S DEGREE IN INTEGRATIVE HEALTH

The Bachelor of Science degree in Integrative Health program at Parker University prepares students to become health educators and to continue into a post-graduate degree to work towards a career as a chiropractor, health practitioner, public health and more, and apply for graduate degree programs, many of which are offered at Parker University.

Upon graduation, students are equipped to work in health and wellness industries and are prepared to apply for graduate degrees in Nutrition, Exercise Science, and related health science degrees. In addition, the BS in Integrative Health prepares graduates to pursue a pre-health professions degree such as Doctor of Chiropractic, Doctor of Medicine, Veterinary Medicine, and Sports Medicine.

WHY PARKER'S INTEGRATIVE HEALTH DEGREE?

- This degree is online, helping you balance family, work and education
- Students are prepared to move forward into pre-health professions degrees
- May take two courses at a time
- Online tutorial is available 24/7
- Financial aid is available for those who qualify
