PARKER UNIVERSITY'S HEALTH INFORMATION MANAGEMENT DEGREE

At Parker University, we evolve alongside the healthcare industry—preparing students with the skills to lead in a data-driven world. Our online Health Information Management degree blends the latest innovations with a strong academic foundation, teaching you how to transform complex health data into meaningful insights. Whether you're launching your career or leveling up, you'll graduate ready to make a lasting impact on healthcare systems, providers, and patients alike.

WHY PARKER'S HEALTH INFORMATION MANAGEMENT PROGRAM?

- DFW's first CAHIIM-Accredited University, signaling program excellence and opening doors for job opportunities
- Prepares students to sit for the Registered Health Information Administration (RHIA) exam
- Offers two practicum courses (40 hours of supervised internship experience, in-person or virtually), placed personally by program director
- Real-world curriculum prepares you to collect, manage, and analyze health data, implement electronic health records, and improve healthcare systems
- Member of an exclusive group that is authorized to offer HIMSS-approved education programs that prepare candidates for advanced knowledge in health information and technology or healthcare, as well as preparing candidates to sit for the CAHIMS or CPHIMS exam
- Financial aid and scholarship assistance available for qualified students*

**Financial aid programs are subject to change without prior notice due to updates in federal, state, or institutional policies. This may include changes to the types of available aid, award amounts, eligibility criteria, and application procedures.*

Accreditation

Parker University is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate, baccalaureate, masters, and doctorate degrees. Parker University also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Parker University may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

The Health Information Management accreditor of Parker University is the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM). The College's accreditation for the Bachelor of Science degree in Health Information Management has been reaffirmed through 2027-2028. All inquiries about the program's accreditation status should be directed by mail to CAHIIM, 200 East Randolph Street, Suite 5100, Chicago, IL, 60601; by phone at (312) 235-3255; or by email at info@cahiim.org. CAHIIM serves the public interest by establishing quality standards for the educational preparation of future health information management (HIM) professionals. When a program is accredited by CAHIIM it means that it has voluntarily undergone a rigorous review process and has been determined to meet or exceed the accreditation standards.
